Front-End Intern

Digital Panda Dec 2021 – Apr 2022
– Built CRUD systems and cloned widely-used web apps under team mentorship

EDUCATION

B.Sc. Chemical & Materials Engineering

New Uzbekistan University 2024 – 2028

High School — IT Track

Muhammad al-Khwarizmi IT School 2017 – 2024

TECHNICAL SKILLS

Languages & Tools

Rust · ReactJS · VueJS · HTML / CSS · Git

Domains

Semiconductor Physics · Solid State Physics · Physical Chemistry · Materials Science · Digital Logic · Frontend Dev

Environments

NixOS · Linux · Open Source

LANGUAGES

Uzbek	Native
English	Professional
Russian	Professional
Chinese	Elementary

HONORS & ACTIVITIES

- Seeds for the Future Hackathon
- Digital Generation Girls
- Organized web hackathon for school students
- Taught English, Math & Web Dev (2023–2025)
